**Subject:** Testimony in Opposition of Mr. Diana's Nomination to the Superior Court

Respectfully Submitted,

This motion was immediately dismissed with one word "Denied." No explanation.

This reflects Mr. Diana, Mr. Armata and Judge Adelman violating due process in order to illegally seize my property three years after the divorce and after the asset in question was already divided, and my ex waiving all rights to it.

This was money set aside at the time of the divorce to allow me to an opportunity to financially recover, the same opportunity my ex already enjoyed in 2008.

This asset was illegally taken away from me by Mr. Diana (GAL), Mr. Armata (GAL-in-Chief in Hartford) and Judge Adelman (formerly a GAL) taking advantage of me and my Pro Se status.

This in order to allow Mr. Diana and Mr. Armata to personally enrich themselves at my and my sons' expense.

Thank you,
